LETTER

The Filing Receipt for the above-identified patent application is in error. The Attorney Docket No. is incorrectly listed as 35-21(51376)B and it should be 38-21(51376)B. The word "sequence" in the title should be plural, so the title should properly read as follows: Bacillus Thuringiensis Chromosomal Genome Sequences and Uses Thereof.

Applicants respectfully request that a corrected Filing Receipt be issued. A copy of the original Filing Receipt is enclosed for your convenience.

It is believed that no fee is required for correcting the Filing Receipt, however, if a fee is required, the Commission is hereby authorized to charge Account No. 13-4125 for any such fee.

Respectfully submitted,

Timothy K. Ball, Ph.D., J.D.
